

Grade Three Literature and Read Alouds

At Innova Academy we endeavour to expose students to a wide range of literature, chosen for its excellent writing style, engaging stories, and elevated ideas. Students read from a variety of genre including myths, legends, fables, general fiction, historical fiction, poetry, biography, and informative non-fiction. In addition to guided and independent reading, teachers read aloud to their class on a regular basis. This provides the opportunity for students to listen to stories above their reading level, hear good oral reading modeled, and develop the discipline of attentiveness to oral speech.

Below is a sample list of literature from which your child's teacher will draw. It is not meant to be exhaustive, but rather to give you a sense of our grade three literature program.
