# The Month Ahead At Innova

Senior Kindergarten  
Mrs. Samantha Jung

When Samantha was introduced to Classical Christian Education, she immediately recognized the value in its methodology and curriculum. Samantha has predominantly taught in the primary division and this year teaches the JK and SK class at Innova Academy. Samantha attended Tyndale College and University and graduated with a Bachelor of Education. Her goal was to teach in a Bible believing Christian School and she is excited to be teaching at Innova Academy. Samantha has been married to her husband, Andre, for over 20 years. They have three children, two of whom are in high school and the youngest will be joining his siblings soon. Her favourite Bible verses are Colossians 1:15-17.

## SK – The Grammar Stage

Innova Academy's grammar school curriculum builds a solid academic foundation, emphasizing mastery of facts and fundamental skills. Grammar stage students have the natural ability to retain large amounts of information, so Innova intentionally builds knowledge across the curriculum immersing students in a holistic, unified, and rich learning experience. Students are actively engaged in learning while applying skills they have previously acquired to new, expansive content. Classrooms are filled with singing, chanting, movement, and engaging hands-on activities. Strong habits of heart, mind, and soul are reinforced, as students become more aware of their impact on others and build skills in self-governance and responsibility.

- Properties of 2 dimensional shapes
- Shape patterns

**Science:** Kindergarten students will enjoy getting messy and conducting a variety of Christmas science experiments during the month of December. The five senses and different states of matter will be explored with the following lessons:

- Dissolving candy canes
- Hot chocolate science
- The science of ice and salt
- Evergreens
- Grinch slime

**Latin:** Students will continue to learn and master Latin vocabulary put to song and chants to help with pronunciation and memorization. This month, we will focus on the following words and phrases:

- How are you?
- I am good or bad or happy
- Hello
- Goodbye
- Teacher
- Student

**Visual Arts:** In December, students will explore the next element of art - texture. Topics include:

- Brueghel texture collage using natural material
- Sculpting in art history
- Sculpture using texture
- Creating Christmas ornaments using texture

**Dramatic Arts:** In December, students will work on creating the Christmas story drama. Students will:
