

Art Supplies

As part of our preventative measures to keep everyone safe, we are reducing the number of items that are shared in school. **This year, each student will need to purchase and store their own art supplies.** Items can be purchased at Walmart, Staples, Michaels, or Spectrum Educational Supplies in Newmarket.

Note: Some of these items may also be listed in your child's grade list. If so, it is because the grade list provides more specific details about the item required. Supplies may be used for both regular class and art class.

Basic Art Supplies - All Grades

- pencil
- eraser
- scissors
