When Samantha was introduced to Classical Christian Education, she immediately recognized the value in its methodology and curriculum. Samantha has predominantly taught in the primary division and this year teaches the grade 2 class at Innova Academy. Samantha attended Tyndale College and University and graduated with a Bachelor of Education. Her goal was to teach in a Bible believing Christian School and she is excited to be teaching at Innova Academy. Samantha has been married to her husband, Andre, for over 20 years and they have three children. In her spare time, she is involved in her church choir and worship team and volunteers in the nursery. Her favourite Bible verses are Colossians 1:15-17.
