

February 2021

The Month Ahead

At Innova

Tiffany holds a bachelor's degree in Elementary Education from the University of Alberta, a diploma in Early Childhood Education, and TESOL certification. She has worked overseas in South Korea and the UK as a grammar stage teacher. Tiffany has also worked as an educational assistant for children with special needs. Her love for the classical model grew after she was introduced to it by a fellow teacher and friend. Tiffany grew up in Hamilton and just recently moved to the Newmarket area. When Tiffany is not teaching, she can be found reading, enjoying time at the beach with her dog Zoey, serving in various ministries at church, and spending time with family.
